Subject: Condensate Tank Enforcement White Paper
Attachments: Condensate Tank Enforcement White Paper (May 30, 2019).docx

All:

Please find attached a white paper that outlines the broad strokes of a multi-faceted approach to enforcement at E&P facilities with VOC-emitting condensate tanks. This is in very early development, and while I would greatly value your feedback, I would ask that you keep this document among this small initial review group.

Best,
Patrick
